This will lead to a window icon and double click to initiate a VM instance.

This window will lead to a desktop with geneious icon.

For using on a local machine.

Once you VPN (<u>https://vpn.uchc.edu/cam</u>) into the CAM network you can use the following url to access the Geneious server <u>http://geneious.cam.uchc.edu:8080/GeneiousServer/clients.jsp</u>

You will be presented with the following page

Click on "Geneious client installers download page" for links to client installations

Select the appropriate client installation for your operating system

No Li	icense for Geneious R10	CONCOLUNCS.	8			
0	Your license has expired If you want to keep using Geneious, you can do so by purchasing a license (or requesting a quote first) at https://desktop-inks.geneious.com/store . If you don't activate a license Geneious will run with restricted features so you can still access and export your data.					
	📄 Don't show again	Activate a License	Request Trial Trial Later			
~	Starting plugin: Local Documents	11/11/11/20	State of the			

Once you complete and launch your client installation you will be presented with licensing options

Press the "Activate a License" command button
